NOTICE REGARDING SUSPENSION OF SUNDAY SERVICES AT CANLEY COMMUNITY CHURCH

It is with much sadness that we are suspending our Sunday services until further notice, in line with Government guidance and other church bodies (Church of England, Methodist, Baptist, FIEC and others).

This decision is motivated by **love, protection & care** for each other and those who attend with us.

Protection: We would encourage all of us to take seriously the guidance given by the Government concerning Covid-19.

Along with the suspension of Family Services & Communion services, all midweek activities have been closed until further notice.

Care: In these uncertain times, we want to maintain some sense of normality through pastoral care of 'one another'. Phoning each other is an easy practical expression of God's care towards each other. Over the period of closure, we will maintain contact with the wider church through phone calls, Touchstone and prayer updates. If you have received this by post & would like TS & email updates please let Karen Curran know at kc3927@aol.com

Worship: We are still a worshipping community. So we will be sending out worship material for this Sunday which we can use at home. This material will be sent out by email, post and will be posted on the church's website. We are encouraging everyone to use this service outline on **Sunday from 11am.**

We are also looking at ways we can all take part in a programme of worship in our own homes each Sunday.

Although we are unable to meet together in person we know that as the body of Christ we can pray for each other, encourage each other and share each other's burdens. 'Cast all your cares on to Him, for He cares for you' **1 Peter 5:7**
